CHILDREN'S SHOES

"We will have to have new foot-wear for the children, right away!" Comes the old familiar story and demand. Then I reckon up expenses. Calling off a holiday. That for healthful recreation I had planned. But a feeling of resentment At my youthful family. Comes to sudden end. When I realize my blessings; For how lonely it would be Should we miss one Little wearer of the shoes.

Sunday Services—Sermon About Calvin—Pitching Tents—Kappa Phi—Coming Fete—Movements of People

This year being the 40th anniversary of the birth of Calvin, Rev. Dr. Packard, in common with many people in this country and Great Britain, will preach to-morrow morning on "The Services of Calvin to Civil and Religious Liberty." Not so much will be said in relation to his theology. He is equally an authority on the Swiss, the Dutch, the Huguenots and the Puritans, and his vast influence extends to other countries. No one has questioned his genius, his learning or his piety. He was a reformer, a legislator, laying down rules of government, organizing church discipline, and encouraging reforms in the worship of God. He was born in Picardy in 1569. He had a precocious intellect, and was educated at a college in Paris. At the age of 23 he was at the head of the reform party in France. At the age of 25 he published his celebrated "Institutes." He aimed at a complete reformation in morals. His highest life was amid his books, in serene repose and lofty contemplation. A cold, calm man, even among his friends and admirers. He was preeminently a conscientious man, not allowing his feelings to sway his judgment. There will be the usual services at 10:30; Sunday school at 12. Evening prayer omitted during the rest of the summer. Mr. Joseph Henry Thompson of this town and Miss Myrtila F. Taylor of Greens Farms, are announced as engaged.

To-morrow at 3:30 Miss C. M. Koster, of New York, will speak in the hall of the Bethany Mission.

Mr. George Smith of this town has just lost his aged mother, who lived at Milford Fort, Sh. was 82 years of age. The funeral took place yesterday afternoon.

Receipt That Cures

Weak Men--Free

Send Name and Address Today—You Can Have It Free and Be Strong and Vigorous.

I have in my possession a prescription for nervous debility, lack of vigor, weakened manhood, falling memory and lame back, brought on by excesses, unnatural drains or the follies of youth, that has cured so many weak and nervous men in their own homes—without any additional help or medicine—that I think every man who wishes to regain his manly power and virility, quickly and quietly, should have a copy. So, I have determined to send a copy of the prescription, free of charge, in a plain, ordinary sealed envelope, to any man who will write me for it.

This prescription comes from a physician who has made a special study of men, and I am convinced it is the surest and most effective for the cure of deficient manhood and vigor-failure ever put together.

I think I owe it to my fellow man to send them a copy in confidence, so that any man, anywhere who is weak and discouraged with repeated failures may stop dragging himself with harmful patent medicines, secure what I believe is the quickest-acting, restorative, upbuilding, SPOT-TOUCHING remedy ever devised, and so cure himself at home quietly and quickly. Just drop me a line like this: Dr. A. E. Robinson, 4123 Luck Bldg., Detroit, Mich., and I will send you a copy of this splendid receipt, in a plain, ordinary sealed envelope, free of charge.
